SERVICE NOW ENROLLMENT

The screenshot shows a ServiceNow Learning platform page. At the top, there's a navigation bar with links like MyNow, Products, Industries, Learning, Support, Partners, Company, and a search icon. Below the navigation is a secondary header with links for Home, My Learning, My University account, Career journeys, Credential program, Help Center, Tours, and More. A green button labeled "Explore catalog" is also present.

The main content area features a course card for "Welcome to ServiceNow (Zurich)". The card includes a checkmark indicating it was completed on Feb 02, 2026, and a "New" badge. It has a brief description: "Whether you're just starting your journey or exploring new roles, this course is your perfect launchpad. Dive into interactive lessons, engaging videos, hands-on simulations, and knowledge checks to kickstart your ServiceNow experience with confidence." Below the description is a section titled "Skills you'll strengthen:" with five categories: Platform Analytics, Service Catalog, Visual Task Boards, ServiceNow AI Platform, and Knowledge Management.

To the right of the course card is a "Achievements" sidebar. It says "By completing this course you will achieve the following:" and shows a circular badge with a sun and waves, labeled "Welcome to ServiceNow Completed on Feb 02, 2026". Below the badge, it says "195+ Points" with a green star icon.

The screenshot shows the "My profile & settings" page in the ServiceNow Learning platform. The top navigation bar is identical to the previous screenshot. The main content area has tabs for "Profile" (which is active) and "Preferences & Settings". Below these tabs are two sections: "About me" and "My achievements".

In the "About me" section, there's a bio field with placeholder text "Add a short overview of your ServiceNow expertise and what you hope to contribute or learn.", a "Private" toggle switch, and two empty circular buttons with plus signs for adding social media links.

The "My achievements" section displays three metrics: "Credentials" (0), "Skills earned" (5), and "Badges" (1).
